Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Medicare program does not offer protection against the costs of most outpatient prescription drugs. Some observers suggest that a drug benefit should be added to the federal program while others recommend alternative approaches to assuring access for the target population. In 1999, the issue received attention as part of the overall discussion of Medicare reform. The National Bipartisan Commission on the Future of Medicare was charged with making recommendations concerning a number of program issues. The Commission failed to get the necessary votes for a reform proposal. The plan designed by Senator Breaux and Congressman Thomas (Co-Chairmen of the Commission) failed 10-7. A modified version of this reform plan was introduced by Senators Breaux and Frist as S. 1895. A significantly modified measure, S. 2807 (referred to as Breaux-Frist 2000 ) was introduced June 28, 2000. S. 2807 would give beneficiaries access to outpatient drugs and, in certain cases, other supplemental benefits, through enrollment in either a Medicare Prescription Plus plan offered by a private entity or a Medicare]Choice plan. The Administration s Medicare reform plan introduced...
