Reviews

The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

Visit us online at - - The story of THE POOR GENTLEMAN, now given in our language for the first time, is one of the series in which M. Conscience has delineated various grades of female character in positions of trial. In The Village Innkeeper he has shown the weaker traits of woman distracted between an inborn sense of propriety and a foolish ambition for high, life. In the Conscript his heroine displays the nobler virtues of uncorrupted humble life; and, with few characters, taken from the lowest walks, he shows the triumph of honest, straightforward earnestness and pertinacious courage, even when they are brought in conflict with authority. The Poor Gentleman closes the series; and, selecting a heroine from the educated classes of his country-people M. Conscience has demonstrated how superior a genuine woman becomes to all the mishaps of fortune, and how successfully she subdues that imaginary fate before which so many are seen to fall.
