Createspace, United States, 2013. Paperback. Book Condition: New. 230 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Who Was This Book Written For? This book was written for small business owners and entrepreneurs searching for new ways to grow a business. Whether you are running a start up, home based or established business, I guarantee you that you will pick up at least 10 great ideas you have not found in any other business book about how to market, sell and grow your business. How Is This Book Different? Most of the business books you will find on growing a business, focus on getting more clients, getting into profit and ways to increase sales by effective marketing and sales techniques, they are all about get, get, get. Not this one! This book is packed with 190 pages of simple, practical tips and sales techniques which all centred around the idea of giving. I have also included lots of free resources and tools for you. Imagine being able to focus on helping others and never have to go searching for business again. If you apply the giving strategies in this book, you will attract new clients, generate more business from existing clients and become a magnet for new business. If any of the following sound like you, then you will love this book: - If you hate cold-calling direct selling to get new clients - If you have a very limited budget for sales and marketing - If you never seem to have the time to do everything you need to - If your business is not growing as fast as you know it could - If you already like helping other people, it s just part of who you are Sound familiar, then this book...
