Neil the X-Man Boyce is ordered to investigate the many gun-related murders in Barbados. Then the unimaginable happens, beginning with the discovery of a young female s body in a place and condition invoking an unforgettable past and an obscure, evil history. Now the X-Man will be faced with the investigation of his career as he seeks to unravel the mystery behind a series of sadistic, cult-like murders, while he encounters a ruthless serial killer. This is a crime story with style and substance.
