Reviews

*This is basically the greatest pdf i have got go through right up until now. It normally fails to cost excessive. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Random House LCC US, 2011. Paperback. Book Condition: New. 172 x 104 mm. Language: English . Brand New Book. NEW YORK TIMES BESTSELLER Tess Gerritsen's relentless, inventive novels take readers on pulse-racing thrill rides that are as satisfying as they are heart-stopping. Now, in this edge-of-your-seat suspense novel, a mysteriously isolated town stands abandoned as a silent watcher waits. In Wyoming for a medical conference, Boston medical examiner Maura Isles joins a group of friends on a spur-of-the-moment ski trip. But when their SUV stalls on a snow-choked mountain road, they're stranded with no help in sight. As night falls, the group seeks refuge from the blizzard in the remote village of Kingdom Come, where twelve eerily identical houses stand dark and abandoned. Something terrible has happened in Kingdom Come: Meals sit untouched on tables, cars are still parked in garages. The town's previous residents seem to have vanished into thin air, but footprints in the snow betray the presence of someone who still lurks in the cold darkness?someone who is watching Maura and her friends. Days later, Boston homicide detective Jane Rizzoli receives the grim news that Maura's charred body has been found in a mountain ravine. Shocked and grieving, Jane is determined to learn what happened to her friend. The investigation plunges Jane into the twisted history of Kingdom Come, where a gruesome discovery lies buried beneath the snow. As horrifying revelations come to light, Jane closes in on an enemy both powerful and merciless?and the chilling truth about Maura's fate. Praise for Ice Cold ?The kind of book you'd read in one sitting.??Chicago Sun-Times ?Amazing . . . another winner.??The Plain Dealer ? Gerritsen paces Ice Cold with surgical precision.??Salon From the Hardcover edition.
