INDIRA GANDHI: A POLITICAL BIOGRAPHY (1966 - 1984)

[DOWNLOAD](#)

Times Group Books, New Delhi, India, 2011. Softcover. Book Condition: New. First Edition. Twenty years after her death, study on Indira Gandhi still exercises an interest. A chronicle of the years between 1966 and 1984 during which, except for two or three years, Indira Gandhi was India's Prime Minister. The book is a historical study of the tumultuous events in which Indira Gandhi played a dominant role. The author has tried to piece together these momentous events into an integral narrative so that it reads like a story. Father Benny Aguiar delves into his memory to write about the period when Indira Gandhi dominated the Indian politics. Indira became the Prime Minister of India in 1966 and remained so, barring the period 1977-79, till her assassination in 1984. She had a colossal presence and the history of India of this period got closely interwoven with her story. It is in this sense that the book is important. It is not a historical record of events, which many other books have already done. Father Aguiar recounts from his experiences of the period to produce an emotional history that helps understand the situation as it existed then. It is a close brush with reality and tries to make an assessment about the various feelings that shaped Indira's decision-making. He does not justify the Emergency but tries to understand why Indira Gandhi, who was a democrat, imposed a system that she was going to denounce when she came to power again in 1980. She spoke about the country needing a healing touch. Not in a thousand years, she said, would the need arise for another Emergency. Indira Gandhi was an enigma for most of her colleagues. She was politically smarter and could see through the events. This is why she upstaged most of them...
