Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

HarperCollins Publishers, United Kingdom, 2016. Paperback. Book Condition: New. 210 x 170 mm. Language: N/A. Brand New Book. Collins Arabic Big Cat is a guided reading series for ages 3 to 11. The series is structured with reference to the learning progression of Arabic at nursery and primary schools researched especially for Collins. This carefully graded approach allows children to build up their reading knowledge of Arabic step by step. Level 6 books provide an advance on level 5. Sentences are still highly repetitive but slightly longer, with simple story development supported by illustrations. Double spacing is used between words to ensure children see where each new word in a sentence begins and ends. Although the focus at level 6 remains on reading the core words, the concept of reading hamzat al-wasl and sun letters correctly is introduced in non-verbal sentences of up to 4-5 words. This non-fiction book takes you on a journey into the jungle and looks at the people, animals and wildlife that live there, including parrots, monkeys and big cats. Photographs of all the different things that can be found in the jungle on pages 14-15 help children to recap and provide a wealth of speaking and listening opportunities.
