LEADING BY EXAMPLE: RENOVATING THE AMERICAN DREAM (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Leading By Example is a political thesis that delves into the myriad contemporary critical issues facing the United States of America. In this excellent new book, John Kidwell, political activist and owner of a general practice law firm on Main Street, focuses on the historical underpinnings behind each issue with an aim to understand and address them respectively. From campaign finance reform, to immigration, education, the environment, religion in politics, and the role of government, Mr. Kidwell expertly teaches you about each issue, framing them into a logic geared toward concrete solutions for all. This is a call to your conscience, a call to action. The first step toward relighting the American Dream is understanding our nation s obstacles, the second is LEADING BY EXAMPLE!.
