(Regular Price \$5.99) * * * Discover The DIY Organic Detergent Recipes To Wash Your Clothes Did you know that the Procter and Gamble found the first detergent by mistake, which they feared would cause a lot of loss? They are not the only people who got the chance to play with the detergents. Starting from the Italians and Egyptians, every culture has used many methods of washing clothes. This book does not take you to the history of how each culture washed their dirty clothes. This book talks about the dirty side of the chemical detergent. Starting from the mild skin irritation to cancer, the list of health concerns are quite prolonged. Are you someone who checks out the dolphin-safe label on the tuna can before you buy? You must be doing it for your detergents too. The chemicals used in the detergents might not be as good for us as they show in those fancy advertisements. This book is not a weeny part to worry about the problems. There is a conclusion to this problem, which is going back to using the natural products, as a detergent. In a practical tone, it is very much possible, reliable and easy to make and use. This book gives you the recipes, the directions for using the ingredients, how to market them and last but not the least, what to and what not to expect from a natural laundry detergent. Just because you turn to natural product, it does not mean that all the problems will be solved, but according to a statistic,...
