Blue Dolphin Publishing. Paperback. Book Condition: New. Paperback. 264 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. The Christian Right . . . or Wrong examines the public messages delivered by Christian leaders—messages that reach millions of people worldwide every week. John Cord lays bare the false teachings of forty Christian leaders on such controversial topics as abortion, homosexuality, tithing, salvation, idolatry, and religious terrorism. These forty leaders, mostly American televangelists, include Jerry Falwell, Pat Robertson, Billy Graham, Robert Schuller, and Jimmy Swaggart. Cord studied over 700 hours of television ministries and talk shows, and provides verbatim excerpts of false religion, featuring interview segments conducted by Bill O'Reilly, Larry King, Geraldo Rivera, and Hannity and Colmes. The Christian Right . . . or Wrong presents a robust sampling of the selfishness at the heart of corporate Christianity. These traditional lies about God and Christ continue to be passed on from generation to generation. Your ability to first dissect Scripture with explanations and correlations, and then analyze arguments of notable religious figures is excellent. -Ryan U. , Palm Springs, CA Every page you write strengthens what I have always known about love and goodness and my resolve to live that way. -Karen S. , Coon Rapids, MN This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
