Brand New Book ***** Print on Demand *****.Written as Lightning in a bottle to assist American women age 50 or older seeking financial independence and a better life, Women, Wealth Wisdom; Unleash the Fire Within to a Life of Purpose blends life and financial planning into one practical guide. Having our own money wisdom trumps family acrimony. If divorce, addictions and suicide are rooted in financial woes it is clear that finances affect our mental and consequently our physical health. By conquering the final frontier, personal finances, women can transcend to a higher intellectual state - one of wisdom and its shadow benefit, enduring vitality and power. Women, Wealth and Wisdom: Unleash the Fire Within to a Life of Purpose is about being psychologically and fiscally prepared for the complex financial world of tomorrow. For example, retirement security is the grave concern of Americans today. Millions of Baby boomers go on Social Security retirement pensions every year. Most are ill prepared for their heavy burdens of escalating costs of health and long term care on one hand and they fear they ll outlive their meager...
